

TASK CARD 5: how to email a photo

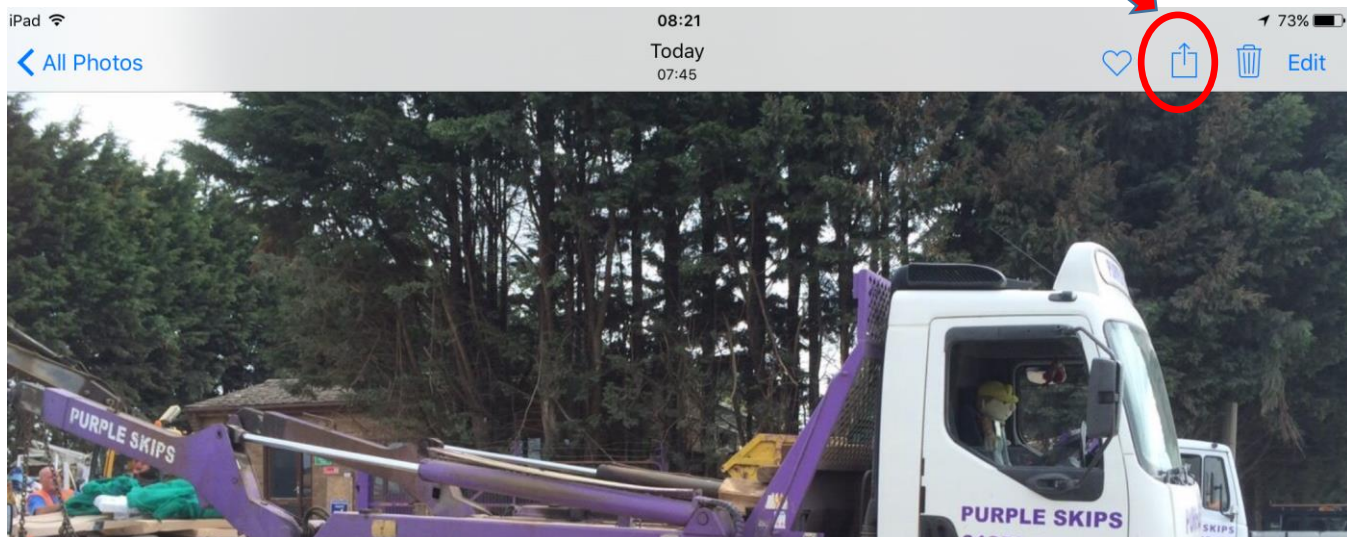

iPad

This card shows you how to send photos to a friend

TAP
SHARE

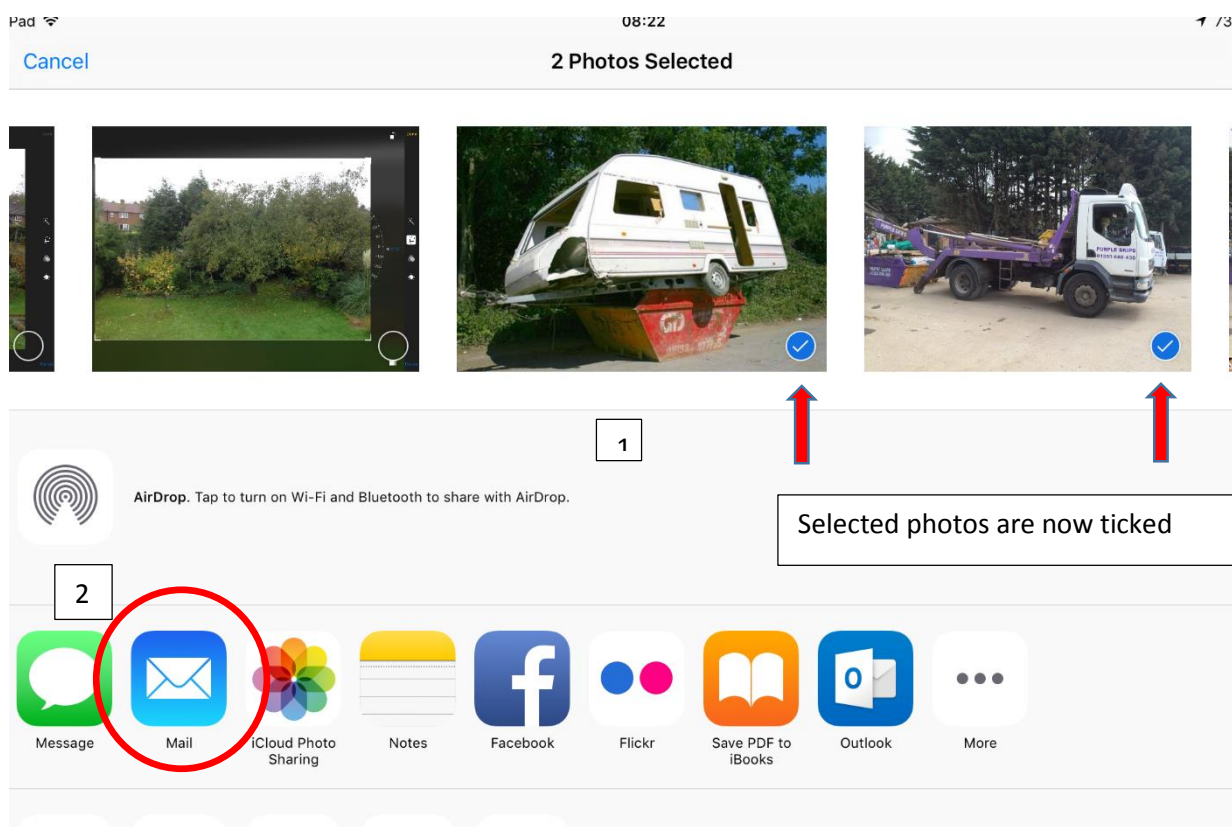

: Tap Photos icon to open Photos. Select a photo and tap. Then tap on Share icon. The Share screen opens.

Share icon

SELECT
PHOTOS

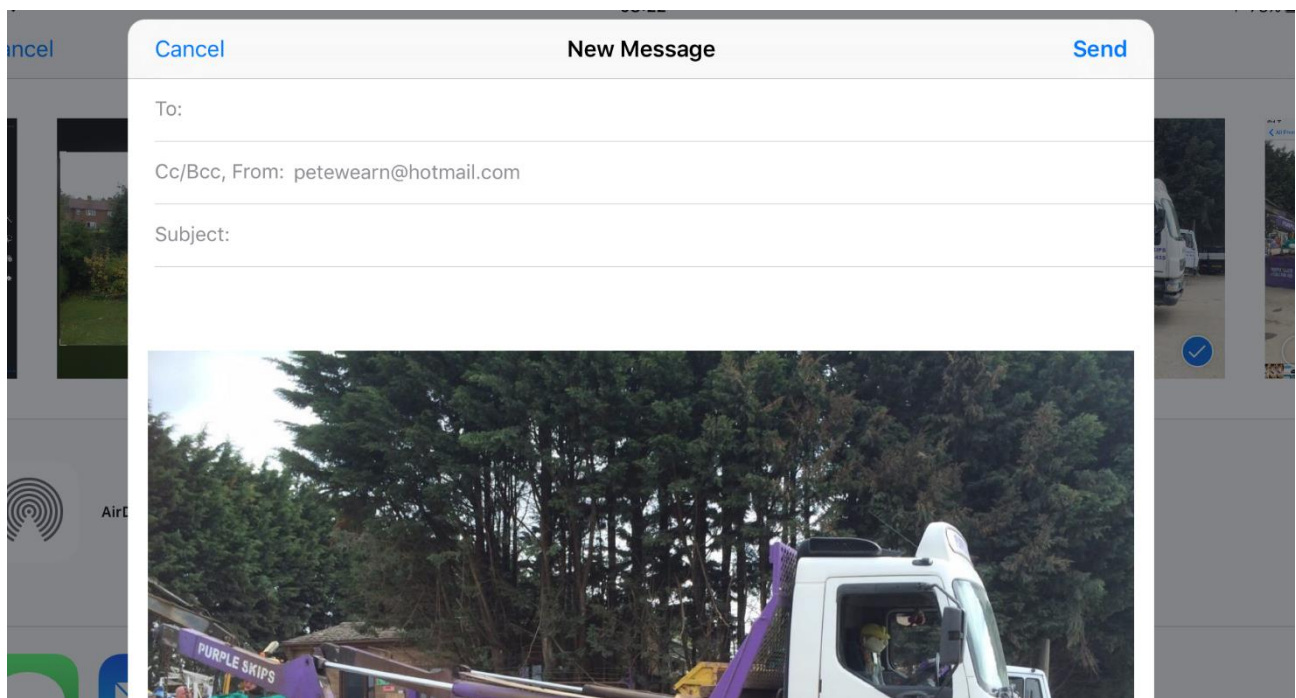

: (1) Tap the photos you want to share (not too many). (2) Choose email option by tapping the Mail icon

Selected photos are now ticked

INPUT
ADDRESS
OF
FRIEND

Email Box appears which you need to fill in with the email address of your friend, a subject title for the email and maybe a message about the photo.

Below you see I have filled in the boxes with Roy's forum email address and a title for the email. Then I typed a message to Roy.

Now you are ready to tap **Send** and off it goes with your pictures attached!
