

TASK CARD 6: how to print a photo

iPad

This card shows you how to print photos using the forum wireless printer

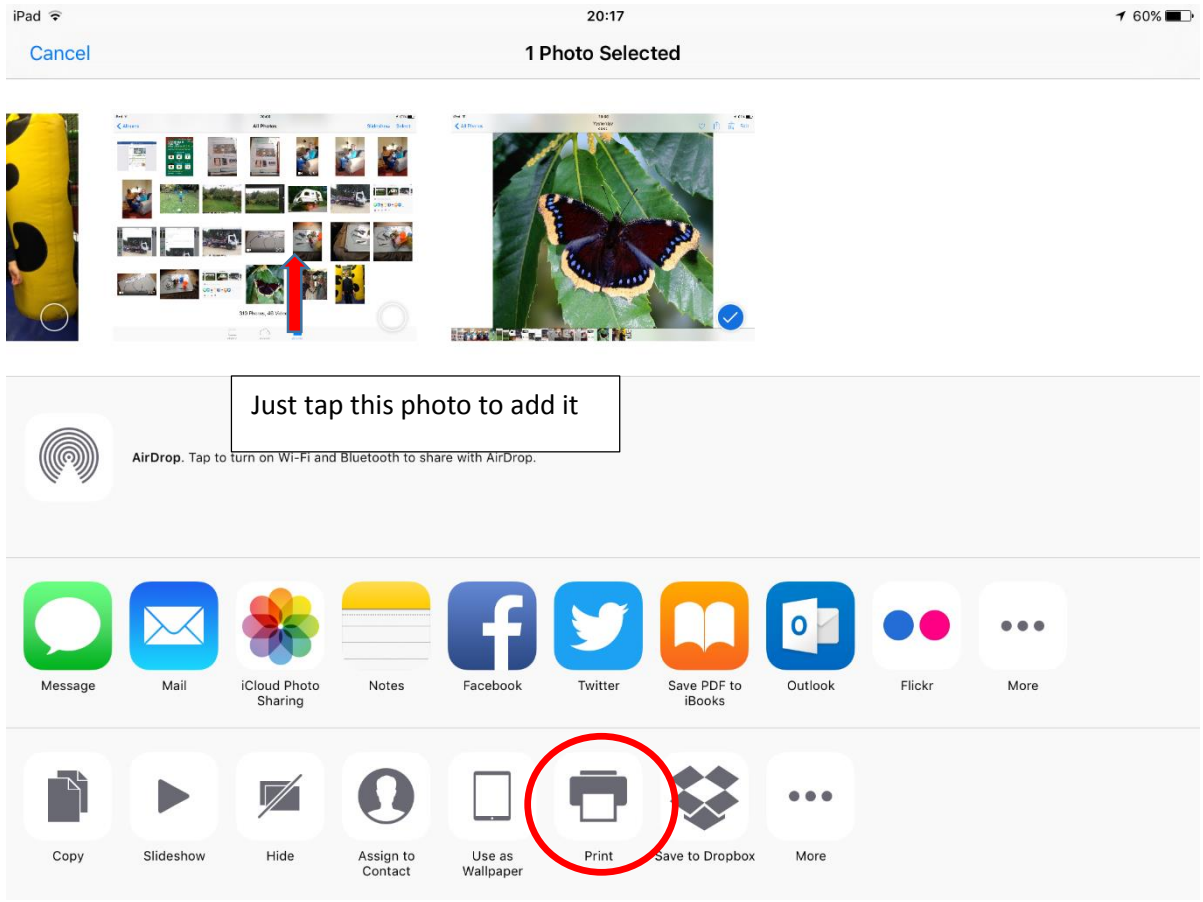

<p>SELECT PHOTO</p>	<p>: Tap Photos icon to open Photos. Select a photo and tap.</p>
<p>↓</p>	 <p>310 Photos, 46 Videos</p>
<p>TAP SHARE</p> <p>↓</p>	<p>: Tap share icon to move to new screen</p>  <p>20:09 Yesterday 08:02</p>

MAKE CHOICES AND PRINT

A new screen appears. You can **select** more photos to print by just **tapping** on them.

Then **tap Print** option

Tap P

Now the Printer Options screen opens as below.

Here you can pick number of copies to print (**tap +**)

or choose Black & White option (**slide**).

When you are happy with your choices, tap **Print** to start printing. VOILA!
