

TASK CARD T2: Personalise your Tablet

Android

This card shows you how to choose your home and lock screen appearance (wallpaper) with your own choice of photos. Lock screen is the screen you see when you first switch on your tablet ie before you put in the Passcode.

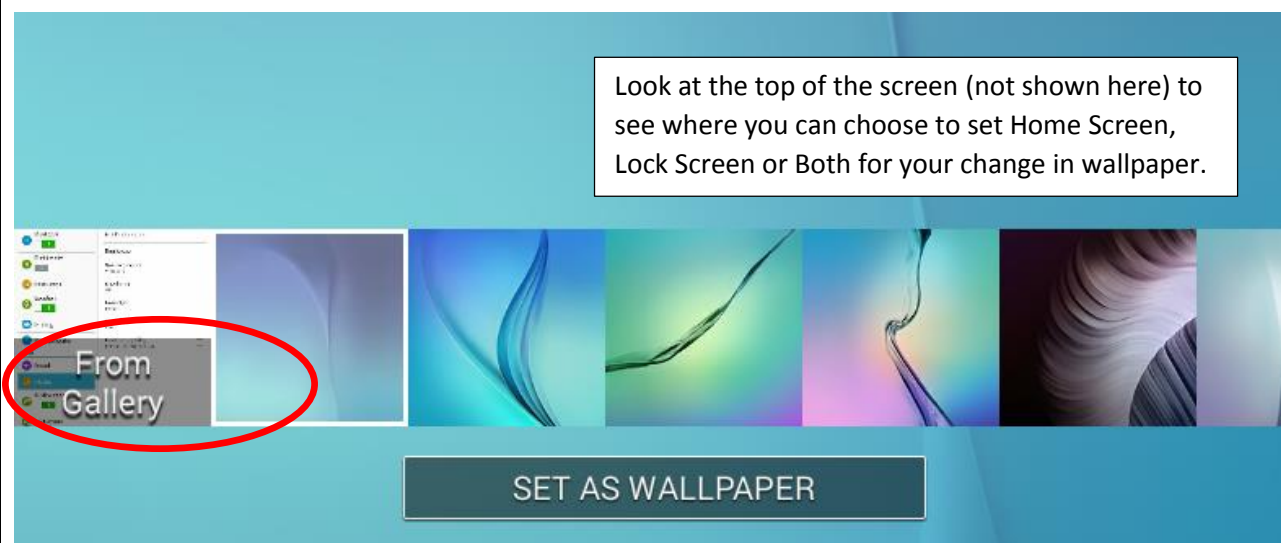

The image that displays on the lock screen and in the background on your Home screen is called the wallpaper. Here you learn how to change it.

- 1 First tap “Settings” icon, then tap “Display” on the left and then “Wallpaper” which **now** appears on the right.

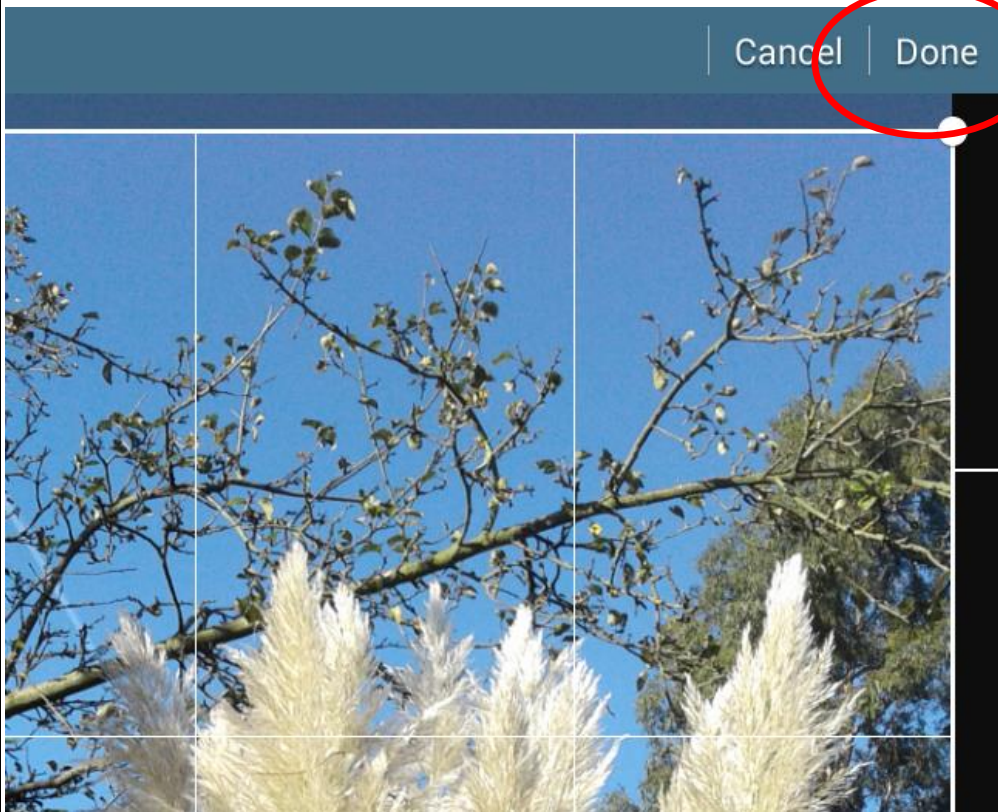

On the next screen, go to the bottom and select “From Gallery”.
